

## **ANNUAL REPORT**

**2013 / 2014**

# NORTHERN TERRITORY OF AUSTRALIA NORTHERN TERRITORY ARCHITECTS BOARD

## ANNUAL REPORT 2013 / 2014

### INTRODUCTION/STATUTORY BASIS

The Northern Territory Architects Board is a Statutory Board established under section 5 of the Northern Territory *Architects Act*. It is responsible for the registration of architects and regulation of architectural practices within the Northern Territory and for administering the requirements of the Act. Like all similar Acts applied throughout Australia, its purpose is to ensure the general community can rely on the fact that people using the title “architect” are qualified, both academically and by practical experience, to fulfil their professional role. Administrative support is provided to the Board by the Department of Lands, Planning and the Environment.

### BOARD COMPOSITION

The Board consists of five members, each appointed by the Minister for a term of three years. All must be resident in the Northern Territory; three members must be architects and at least one of these members must be a practising architect nominated by those members of the Australian Institute of Architects who practise and reside in the Territory. Two members are not architects. The positions of the Chairman and Deputy Chairman are determined by the appointed members. Members are remunerated in accordance with the *Assembly Members and Statutory Officers (Remuneration and Other Entitlements) Act*.

In February 2014, on relocating interstate, non-architect member of the Board Bertram Birk, tendered his resignation to the Minister. Mr Birks term of office was due to expire 15 October 2014. The *Architects Act* provides for the Minister to appoint a member to fill the vacancy for the unexpired portion of the term of office. The position remains vacant.

## **CURRENT MEMBERSHIP**

### Architects

Chairman: Ross Finocchiaro  
Deputy Chairman: Richard Layton (nominee of AIA)  
Member: Robert Cova

### Non Architects

Member: Lynette Bennett  
Member: Vacant (Bertram Birk resigned February 2014)

## **MEETINGS OF THE BOARD**

The Board meets in Darwin to attend to such matters as applications for registration (lodged under the *Architects Act* or mutual recognition legislation), architectural practice examinations, and various other matters relating to the regulation of architectural practice. The Board also considers applications under mutual recognition and urgent matters out of session; these decisions are then endorsed at the following Board meeting. The Board met on six occasions during the 2013 /2014 financial year.

## **QUALIFICATIONS FOR REGISTRATION**

The Northern Territory *Architects Act* provides for the registration of individual architects, architectural partnerships and architectural companies. The Act requires the Board to authorise the registration of a natural person as an architect if the person satisfies the Board that he or she holds, or is entitled to hold, a certificate from the Architects Accreditation Council of Australia which certifies that the person is suitably qualified to practise architecture and that he or she is a fit and proper person to be registered as an architect. The Act requires that a director or an employee of the company, who is a registered architect, is responsible for managing the architectural practice of the partnership/company in the Territory and supervising the provision of architectural services provided. The Act also requires a company constitution to contain provisions to notify the Board of an intention to amend its constitution; and that a body corporate shall not be eligible to be a director of the company. The Board considers the second requirement to be obsolete.

Alternative pathways for the registration of individual architects are provided by the *Mutual Recognition Act*, and the *Trans-Tasman Mutual Recognition Act* which facilitate freedom of movement of architects across Australian States and Territories and between Australia and New Zealand. A registrant who is in good standing in one jurisdiction may lodge a notice (in the form of a statutory declaration) requesting a second jurisdiction to “mutually recognise” his/her registration in the first jurisdiction.

## **ARCHITECTS REGISTER – REGISTRATION STATISTICS**

During 2013 / 2014 the Board considered applications and authorised the registration of individual architects; applications were made under both the *Architects Act* and under the provisions of the *Mutual Recognition Act*.

As at 30 June 2014, two hundred and one individual architects and thirty one architectural companies were registered in the Northern Territory. A total of sixty three of the registered architects reside in the Territory. The balance of registrants reside interstate or overseas, but maintain registration in the Northern Territory for business reasons.

## **REGISTRAR**

The Registrar provides administrative and research support to the Board and manages the Board's day-to-day activities including organising Board meetings and examinations, maintaining the register and communicating with registrants, prospective candidates for the architectural practice examination, other State/Territory Boards, the Architects Accreditation Council of Australia (AACA) and the Australian Institute of Architects.

## **RESTRICTION ON USE OF EXPRESSION “ARCHITECT”**

Under the provisions of the *Architects Act*, use of the title “architect” and/or any description indicating that the practice of architecture is carried out in the Northern Territory, is restricted to those individuals, companies and partnerships registered in the Territory. This requirement for registration ensures that members of the public using the services of an architect have access to practitioners with the appropriate level of qualifications and experience. Persons who have academic qualifications may practise their profession, but are not permitted to use the title unless formally registered. The Board monitors the restricted use of the title “architect”.

The Board has cause from time to time to remind entities such as the NT News to use care when using the title.

## **ARCHITECTS ACCREDITATION COUNCIL OF AUSTRALIA (AACA)**

The Architects Accreditation Council of Australia (AACA) is the national organisation responsible for establishing, coordinating and advocating national standards for architects in Australia and for reciprocity arrangements with overseas authorities. AACA is comprised of nominees, being the Chair and Registrar, from all State and Territory Architects' Registration Boards in Australia. The NT has not been represented by a Registrar since February 2013.

The 2013 forum and AGM were held in Canberra, ACT. Due to Board members being unavailable to attend in 2013, the NT was represented by nominee, Dr David Bridgman, who is the NT Convenor.

## **ARCHITECTURAL PRACTICE EXAMS**

Successful completion of Architectural Practice Examinations forms one of the criteria for registration as an architect Australia-wide. The examinations are offered twice each year under the supervision of the Architects Accreditation Council of Australia (AACA). In the Territory, exams are offered in both Alice Springs and Darwin and are conducted by examiners who are experienced local architects. In 2013 / 2014 eight applications were received to sit the exams in the NT.

## **FINANCIAL MATTERS**

The Department of Lands, Planning and the Environment administers the Board's budget and finances and the financial statement forms a part of the Department's report. Income is derived from annual renewal of registration and application fees. All income received is paid into consolidated revenue in accordance with section 36 of the *Architects Act*. Expenditure on Board business reflects only a portion of the actual costs for the Board Chairman and Registrar to travel and attend the AACA Annual General Meeting as currently AACA fully reimburse both air fares, and a major proportion of accommodation and meal costs. Examination fees are collected on behalf of AACA, Part of the fee is required to be remitted to AACA, a portion should be paid to examiners and the balance remains in consolidated revenue.

## **LEGISLATIVE MATTERS**

The Board has maintained for some years that the *Architects Act* is overdue for review and amendment to bring it in line with current business practices and to correct anomalies with timelines for renewal and the publication of the Register, which result in this occurring prior to the removal of non-financial architects. The Board would welcome the opportunity to provide input into a review and has a list of proposed amendments.

## **CURRENT REGISTRATIONS**

As required by the Act, a list of each registered architect as at the end of February was published in Gazette No. R2 on 23 April 2014. . A copy of the published schedule is attached.

## Schedule

### Individuals

Name		Address				
1045	Madge	Alexandra	PO Box 1188	THORNBURY	Vic	3071
