

## **NORTHERN TERRITORY ARCHITECTS BOARD**

### **ANNUAL REPORT 2017 / 2018**

## INTRODUCTION/STATUTORY BASIS

The Northern Territory Architects Board is a Statutory Board established under section 5 of the Northern Territory *Architects Act*. It is responsible for the registration of architects and regulation of architectural practices within the Northern Territory and for administering the requirements of the *Act*. Like all similar Acts applied throughout Australia, its purpose is to ensure the general community can rely on the fact that people using the title “architect” are qualified, both academically and by practical experience, to fulfil their professional role.

## BOARD COMPOSITION

The Board consists of five members, each appointed by the Minister for a term of three years. All must be resident in the Northern Territory; three members must be architects and at least one of these members must be a practising architect nominated by those members of the Australian Institute of Architects who practise and reside in the Territory. Two members are not architects. The positions of the Chairman and Deputy Chairman are determined by the appointed members. Members are remunerated in accordance with the *Assembly Members and Statutory Officers (Remuneration and Other Entitlements) Act*.

## MEMBERSHIP

The majority of member appointments expired on 18 June 2018, except for Mr Damien Moriarty whose appointment expires 6 December 2020. The Board's new membership is expected to be finalised in August 2018.

### Architect Members

Chairperson	Ross Finocchiaro
Deputy Chairperson	David Bridgman
Member	Robert Cova

### Non Architect Members

Member	Colin Beard
Member	Damien Moriarty ( <i>appointment expires 6 December 2020</i> )

## MEETINGS OF THE BOARD

The Board meets in Darwin to attend to such matters as applications for registration (lodged under either the *Architects Act* or *Mutual Recognition (Northern Territory) Act*), architectural practice examinations, and various other matters relating to the regulation of architectural practice. The Board also considers urgent matters including applications lodged under the mutual recognition provisions out of session; these decisions are then endorsed at the next Board meeting. The Board met on six occasions during the 2017 / 2018 financial year.

## QUALIFICATIONS FOR REGISTRATION

The Northern Territory *Architects Act* provides for the registration of individual architects, architectural partnerships and architectural companies. The *Act* requires the Board to authorise the registration of a natural person as an architect if the person satisfies the Board that he or she holds, or is entitled to hold, a certificate from the Architects Accreditation Council of Australia which certifies that the person is suitably qualified to practise architecture and that he or she is a fit and proper person to be registered as an architect. The *Act* requires that a director or an employee of the company, who is a registered architect, is responsible for managing the architectural practice of the partnership/company in the Territory and supervising the provision of architectural services provided. The *Act* also requires a company constitution to contain provisions to notify the Board of an intention to amend its constitution; and that a body corporate shall not be eligible to be a director of the company. The Board has requested amendment to the *Architects Act* to remove this requirement.

Alternative pathways for the registration of individual architects are provided by the *Mutual Recognition Act*, and the *Trans-Tasman Mutual Recognition Act* which facilitate freedom of movement of architects across Australian States and Territories and between Australia and New Zealand. A registrant who is in good standing in one jurisdiction may lodge a notice (in the form of a statutory declaration) requesting a second jurisdiction to “mutually recognise” his/her registration in the first jurisdiction.

## **ARCHITECTS REGISTER – REGISTRATION STATISTICS**

During 2017/2018 the Board considered applications and authorised the registration of two individual architects under the Architects Act and 23 individual architects under the provisions of the *Mutual Recognition Act*.

The Board did not receive any applications for partnerships during the 2017/18 period.

10 companies lodged applications for registration; five were approved and registered and five were incomplete as of 30 June 2018.

As at 30 June 2018, 192 individual architects, 36 architectural companies and one partnership are currently registered in the Northern Territory. Approximately 45 percent of companies and partnerships and 30 percent of individuals are located or have offices in the NT.

## **ADMINISTRATIVE ARRANGEMENTS**

The Licensing Team manages the licensing arrangements necessary to support the Architects Board as part of the functions of Licensing NT. Licensing support is provided in accordance with the Architects Act and includes: processing applications, organising examinations, maintaining the register and communicating with registrants, prospective candidates for the architectural practice examination, other State/Territory Boards, the Architects Accreditation Council of Australia (AACA) and the Australian Institute of Architects.

The Board and Commission Support Team manages the administrative arrangements necessary to support the Architects Board as part of the functions of Licensing NT. Secretariat support is provided in accordance with the Architects Act and includes: organising meetings, preparation of agenda papers, recording minutes, preparing and forwarding the Annual Report to the Minister and handling Board appointments.

## **RESTRICTION ON USE OF TITLE “ARCHITECT”**

Under the provisions of the *Architects Act*, use of the title “architect” and/or any description indicating that the practice of architecture is carried out in the Northern Territory, is restricted to those individuals, companies and partnerships registered in

the Territory. This requirement for registration ensures that members of the public using the services of an architect have access to practitioners with the appropriate level of qualifications and experience. Persons who have academic qualifications may practise their profession, but are not permitted to use the title unless formally registered. The Board monitors the restricted use of the title “architect”.

The Board has cause from time to time to remind entities such as the NT News and various real estate agents to use care when using the title but is mostly ineffective because the legislation provides no real power to enforce the consumer protection intent of the legislation.

## **ARCHITECTS ACCREDITATION COUNCIL OF AUSTRALIA (AACA)**

The Architects Accreditation Council of Australia (AACA) is the national organisation responsible for establishing, coordinating and advocating national standards for architects in Australia and for reciprocity arrangements with overseas authorities. AACA is comprised of nominees, being the Chair and Registrar, from all State and Territory Architects' Registration Boards in Australia.

The 2017 AGM and forum were held in Hobart in late October. The Board nominees; Deputy Chairman David Bridgman and Registrar Christine West attended. AACA fund the meeting and travel costs of all attendees.

## **ARCHITECTURAL PRACTICE EXAMS**

Successful completion of a three part Architectural Practice Examination forms one of the criteria for registration as an architect Australia-wide. The examinations are offered twice each year under the supervision of the Architects Accreditation Council of Australia (AACA). In the Territory, exams have been offered in both Alice Springs and Darwin and are conducted by experienced local architects nominated by the Board and approved by AACA. One applicant sat the April 2017 examination and was registered as a result. The Board did not receive any applications to sit the April 2018 examination. In 2018, Part 2 of the examination for Architect accreditation was transitioned to an on-line process. In August 2018, the Northern Territory conducted its first on-line examination.

## **FINANCIAL MATTERS**

The Department of Attorney-General and Justice administers the Board's finances and the financial statement forms a part of the Department's report. Income is derived from application and annual renewal of registration fees. All income received is paid into consolidated revenue in accordance with section 36 of the Architects Act. Examination fees are collected on behalf of AACA, part of the fee is required to be remitted to AACA. A process has now been implemented to ensure a portion is now paid to examiners, the balance remains as income in consolidated revenue. Expenditure on Board business reflects a small portion of the costs for the Board Chairman and Registrar to travel and attend the AACA Annual General Meeting. Current practice has AACA fully fund air fares, and a major proportion of accommodation and meal costs of those attending the meeting and forum.

## **LEGISLATIVE MATTERS**

The *Architects Act* is currently being reviewed in consultation with the Board to bring it in line with current business practices.

## **CURRENT REGISTRATIONS**

As required by the *Act*, the register of architects as at the end of February was published in Gazette No. S39 on 12 June 2018.

See below schedule:

## Schedule

### Northern Territory Architects Board Schedule of Registered Company

AR No.	Company Name:	Address:
